Re: **Docket No. 2010-399-C** – Application of Frontier Communications of America,  
Incorporated for a Certificate of Public Convenience and Necessity to Provide  
Telecommunications Services Including Basic Local Exchange Service [Incomplete Title]

Dear Madame Clerk and Mr. Minges:

This letter is to confirm that Frontier Communications of America, Inc. (FCA) further amends and clarifies its Application in the above referenced docket to be consistent with the Stipulation executed on March 17, 2011 between the South Carolina Telephone Coalition ("SCTC") and FCA. The FCA application filed in this Docket seeks authority from the Commission to be a CLEC in the State of South Carolina except in the service area of its affiliate ILEC, Frontier Communications of the Carolinas, Inc., as Frontier is already offering regulated services in that service area.

This matter has been reviewed and discussed with the representatives of all interested parties in this matter which include the Office of Regulatory Staff and SCTC. We have been advised that the ORS and SCTC do not object and concur in this clarification.

If you have any questions, please do not hesitate to contact me.

Ms. Boyd and Mr. Minges
